

사랑의 글로벌 비전교회 Youth (Crazy Love)

2018 08 18

Review:

Just show up is a wonderful program for youth. Students hardly ever read any christian books on their own. As a pastor, I can pick and choose a book that I feel would be relevant and run it as a part of our friday meetings... with a small yg, the participation level was high. Our teachers were also very deified in the discussion that followed...

Need a bit of time before we run another cycle... but planning on running at least 2 or 3 cycles per year.

Also want to consider jsu for gospels for new believers or seekers.
